This is a membership service for people who find accessing or using public transport within the borough challenging. The service may be suitable for people who no longer have the ability to drive, people who may have mobility issues, disabled persons or individuals who require door to door transport.

Our vehicles are wheelchair accessible and fully equipped to provide a safe and flexible journey. If you require a carer to travel with you then they can travel free of charge, except on excursions.

We operate Monday to Friday. Transport from Home runs four regular services. These are:

### **Day centre**

To and from the Community and Wellbeing Centre, Monday to Friday.

### **Shopping**

Travel to and from Epsom town centre and Sainsbury's.

### **Personal**

You decide where you want to go, this service is designed to fit in with your needs such as visiting friends, going to the hairdressers and getting to doctors appointments.

### **Excursions**

Planned social trips around the borough that are booked in advance. The trips include visiting garden centres, cream teas and pub lunches.
